

Katie Kuzmick, CPM

Katie Kuzmick is a Certified Property Manager (CPM) and President-Elect for IREM Chapter 19 with 9 years of experience in the Medical Office Development & Property Management industry. Katie is a Property Manager with Rendina Healthcare Real Estate, who is a trusted leader in development and partner for health systems, hospitals and physician groups throughout the country. With a unique niche in the Property Management industry, Medical Real Estate offers a high level of service to promote health & safety, elevate efficiency for our clients and patients, and deliver a high quality experience for all. Katie is responsible for the management & development transition of properties in Florida, South Carolina, Virginia, Connecticut and Alabama. Katie is a graduate of Grand Valley State University & Western Michigan University. In her free time, Katie is an avid beach goer with her husband and two children; Lola (9) and Cal (1.5).

About Rendina Healthcare Real Estate:

Rendina is a recognized leader in healthcare real estate development and a trusted real estate partner for health systems, hospitals, and medical groups throughout the country. Over the course of 30+ years, Rendina's solutions have resulted in the development of more than 7.85 million square feet, as well as transactions totaling nearly \$2 billion in financing — with zero loan defaults. This success is the result of Rendina's full-service development platform, which includes design, financing, construction management, leasing, and property management. Expanding on a commitment to meet the changing needs of providers as well as patients, Rendina also specializes in mixed-use developments that blend medical, wellness, retail and residential – lifestyle destinations that offer efficiency and convenience. Trust is essential to any partnership, and Rendina takes pride in the fact that more than 85% of our experience has been the result of repeat business and trusted relationships.
